# Ever & Ever<sup>®</sup> - FAQ

## Are engagement rings returnable?

Because each ring is custom made for you with your unique choice of stone, they are NOT returnable.

## How long for delivery?

Custom engagement rings will be in store 2-3 weeks after they are ordered.

## What about Warranty?

All engagement rings come with a lifetime warranty for manufacturing defects. Normal wear and tear is NOT covered by warranty.

## Can I see my diamond/gemstone before final purchase?

For “Red Box” diamonds, “Black Box” gemstones, or lab grown diamonds with a cost over \$1,000, we can offer a “5-day memo.” This means that the stones are on loan to Hawkins House from the diamond dealer for five days. During that five day period you may come into the store to view the stone before purchasing. We do charge a \$25 non-refundable fee for this service.
